FROM

M. S. RAMACHENDRA RAO, ESQ., B.A.,
SECRETARY, STORES PURCHASE COMMITTEE,
PUBLIC OFFICES, BANGALORE (S. India)

To

K. MATTHAN, Esquire, B.A.,

Chief Secretary to Government.

Sir:

I am directed to invite a kind reference to Government Order No.14439/G.M.203-23-11 dated 7th May 1924 directing that the purchases of the Garden Department may altogether be exempted from the operation of the Stores Purchase Rules.

It will be kindly seen from the copy of the resolution of the Committee enclosed to this office letter No. S.P.C.1868 dated 7th April 1924 that the Committee considered that the purchases of small supplies of food-grains, laterite and gravel and plant and seeds could not be undertaken with any advantage by them and that therefore in their opinion such purchases might be exempted from the operations of the Stores Purchase Rules, The Government Order as it now stands would however appear to be too general and to give very powers of direct purchase to the head of the Department even of such articles as are required for that department in common with other departments. As such was not the intention of the Committee and as relying upon the Government Order, the Superintendent of the Gardens Department has already raised the question of purchasing himself clothing materials required for his department, I am to request you to be so good as to obtain the orders of Government revising the Government order referred to above limiting the powers of direct

local purchase of the Superintendent, Gardens Department, only to the following articles and to the extent indicated:----

(1) Food Grains, plant and seeds and laterite. ... Rs.3,000

(2) Other articles ~~expecting~~ Excepting those which are required in common with other departments and in respect of which the Stores Purchase Committee can arrange to consolidate and make purchases for all the departments concerned. Rs.1,000

I have the honour to be,

Sir,

Your most obedient servant,

Secretary,
Stores Purchase Committee.
